Dedication

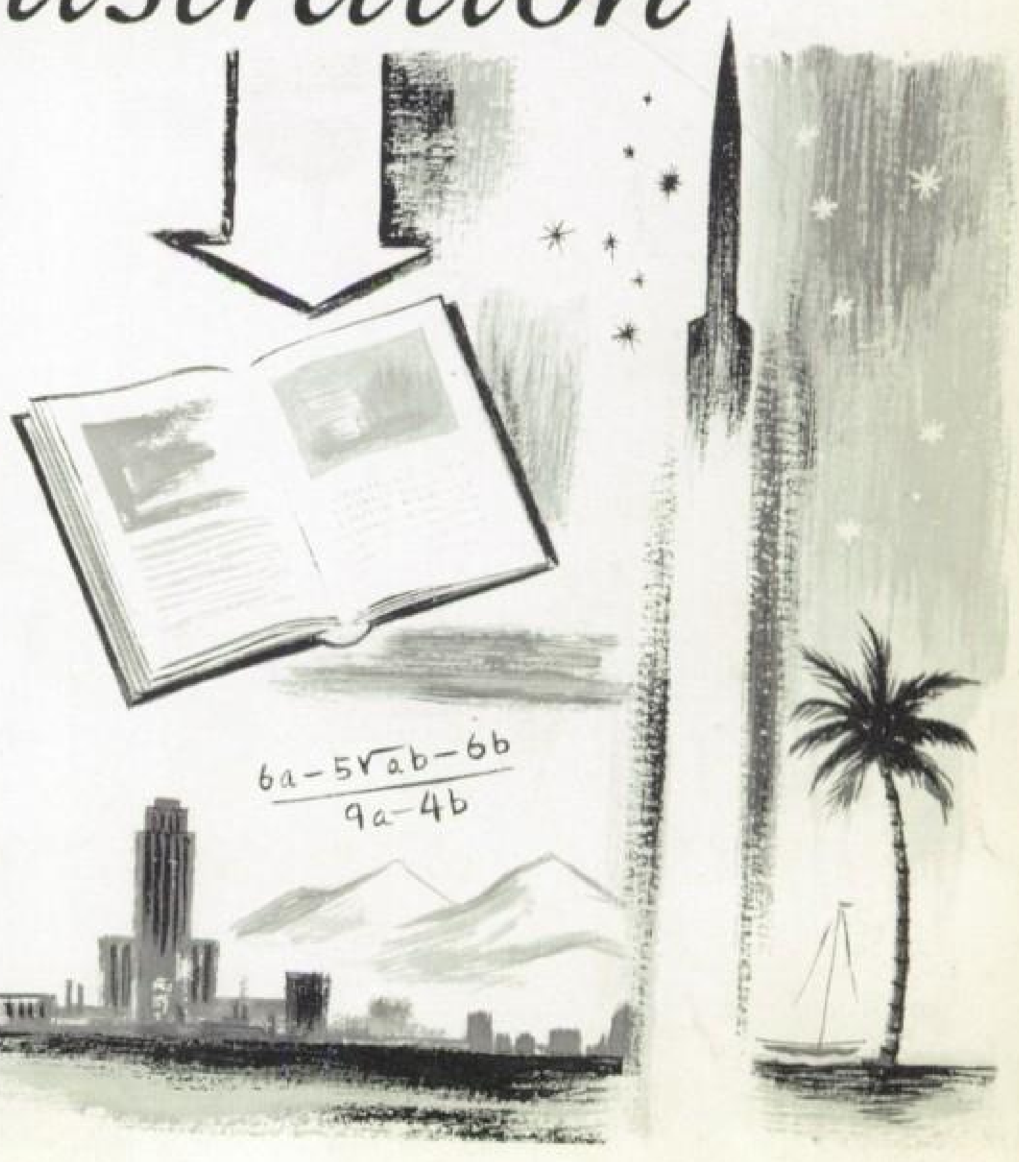

As the student departs from our High School he leaves behind a pattern of footprints representing his success, his disappointments, his pleasures, and his hardships. The pattern of each student is significant and remains forever a part of the school. Like footprints his experiences here leave upon his memory an indelible impression which he carries with him through life.

Lives of great men all remind us
We can make our lives sublime
And departing leave behind us
Footprints on the sands of time.
